

## Call for Submissions:

Artist in Residence

Submission deadline: May 30, 2016

Residency to Commence: November 1, 2016

Harcourt House Artist Run Centre is currently accepting submissions for our 2016/2017 Artist in Residence (AIR). This program allows for the Artist in Residence to engage and interact with the local visual arts community, encouraging shared ideas, expression and discourse.

This one-year residency includes a studio space, access to our art education courses and facilities, teaching opportunities and a \$150 monthly art supply stipend. The AIR will be given a solo exhibition in the centre's Main Gallery at the end of the one-year term to conclude their residency. The AIR will receive CAR/FAC fees for the presentation of this final exhibition.

We invite artists who are Canadian residents to submit a proposal before May 30, 2016. All disciplines are encouraged to apply. Applicants will be selected by the quality of work submitted, their demonstration of commitment to serious practice and how the residency will meet their objectives at this crucial juncture in the development of their practice.

We will be moving during this residency and Harcourt House reserves the right to postpone or cancel the residency.

Proposal guidelines are as follows:

- 10-15 digital images of recent work
- C.V.
- Artist statement
- Plan of activity for residency
- Demonstrate at least 2 years commitment to studio work outside of a Postsecondary institution
- 2 letters of reference from professionals in the arts community

NOTE: Please send all written materials as one PDF file on disk or USB Drive. Letters of reference can be included in the package.
